## SUMMER DRAMA CAMP 2025 (JULY)

Session	Description	Price + GST
---------	-------------	-------------

**I**  
**Mon. June 30 & Weds July 2- FRI July 4**

**Monday & Wednesday - Friday \$430**

**GO GO Gadget Drama Gr 1 - 7**

9am-5pm

We are working with The Point to create amazing things. We will start with a couple of days of games like Hide and Seek, Taxi, Wax Museum and drama activities like tongue twisters, scene builders and crazy character charades. Then we will build a bunch of sets and move onto doing what the students are most interested in. Is it a performance in front of an audience. Maybe we can do something like a commercial for invisible clothes... or a great dance using top hats and canes. It's a Smurf's Life you know....It is all up to you to figure out what you would like.

**II**

**Mon. July 7- Fri. July 11**

**Monday - Friday \$475**

**Fairy Tales Extraordinaire meets A.I. Gr 2 - 8**

10am-5pm (9am time drop off available if needed)

So what happens when a bunch of characters meet Artificial Intelligence? Do the Characters band together to fight AI? How can you fight something a computer anyways? Is it really that smart? Can you reason with it? Does it understand friendship, and what it means to fight for what's right? Maybe we turn the tables and create the ultimate friendly robot. So we will spend a day getting to know each other through games and fun drama activities. Then we build our fun props, set and costumes. YES we are going to build costumes even before we start rehearsals. Crazy isn't it. We're doing things backwards from usual. It's always fun to try things in a different way sometimes. Can't wait to see you!

*NOTE that ages are a guideline. You know your child best. Some are older than their age others are younger. It's about interest and what your child would find fun regardless of their age.*
