SCENE 1 STEERING THE SHIP?

SND Q 1 Fun music -44 secs

Narration: Once upon a time in a land far far away, there was a very determined squirrel who loved tormenting.... Pirates,cats, professors... well anyone actually. Now traditionally speaking a Pirate is supposed to be a fierce fighter and have an obsession with treasure. A professor is supposed to be smart, a fisherman sensible, and cats well... they will chase anything...How are these all connected you ask? With chaotic determination. (*Squirrel steals banana*)

BLACKBERRY: Add a cat that's me, that is not only curious- but gets into everything.(*starts rubbing self on things throughout ship-and playing with string*)

GEORGE: We are supposed to be going North I tell you.

ECHO: Nope South.

GEORGE: No- North! See look at the map. (*while they argue the squirrel steals their food.*)

ECHO: Heh where's my banana?

GEORGE: You left it beside my pickle.

ECHO: It's not a pickle.

GEORGE: Is too.

ECHO: Is not

BLACKBERRY: Now cats usually take a dislike to water. Me I love it! Hence being a ships cat!

SND Q 2 Narration: As you can see the life of a pirate never runs smooth. It is about to get even less smooth as the pirates run into a group of really insistent wildlife. MUSIC 43 secs

CLARA: Land Ho

GEORGE: Is not.

CLARA: Is too. (*E grabs Georges head and points it towards the island.*)

GEORGE: Oh.

CLARA: All Hands prime the anchor.

ECHO: Mooring lines Port side at the ready.

GEORGE: You mean starboard side.

ECHO: Nope

GEORGE: Yup

CLARA: Just do it!

GEORGE: Aye aye. (*As he salutes, his hat falls down and covers his eyes.*)

SCENE 2 IT'S A BUG'S WORLD

BLACKBERRY: Of course as the ships cat I stay on the ship. Why would I go ashore. There might be animals there. And if I have the ship to myself... well I can.....what?

SND Q 3 2 mins 11 sec

Narration: The pirates go ashore searching the forest for clues to the treasure. The squirrel squeaky had always wanted to dance on a ship. Squeaky loves to dance. So she takes every opportunity to have a little fun. (**Music- choreograph dance**) (*Blackberry dances as well as everyone does*)

Have you ever noticed that cats smell everything? Well Blackberry of course, as the ships cat enjoys all of the smells the ship can muster. There are so many wonderful smells. Now at first Blackberry totally ignores Squeaky because it was beneath the dignity of a cat to chase a squirrel, but instinct is a strong thing, and squeaky suddenly realized there was a very interested cat watching and well the chase is on. While chaos erupts on the ship, On the island Professor D sees the pirates get off the ship as he and Barnabas are fishing beside the dock. They hide and watch the pirates go towards the forest. They sneak back to town to warn the rest, and They all get ready for a fight.

BLACKBERRY: Hmmmm that was rather awkward. Maybe I need to follow that squirrel. The dog didn't seem that serious about actually getting the squirrel. This requires stealth. Something I'm quite good at by the way!

Sashy: Get the swords Rosie. Barnabas, you and the professor get to the caves and hide the food and supplies in case we have to run.

Barnabas: *(Talking to a tree)* But Sashy why are they here of all places. *(The professor turns Barnabas towards Sashy)*

SASHY: They are probably looking for treasure.

Rosie: Well that's just silly. The only thing on our island is Nuts.

SND Q 4

Narration: The pirates searched the forest, top to bottom and could find nothing but trees and mosquitos. (sound of bugs) **16 secs**

CLARA: *(Smacks her arm)* Owe

ECHO: *(smacks all over herself)* I'm being eaten.

GEORGE: *(smacking Echo on the head trying to get a mosquito)* Yup

ECHO: Ouch. What are you doing?

GEORGE: Trying to keep you from being eaten.

CLARA: There is nothing out here.... Well except bugs...owe...*(slaps her neck as if being bitten)*

GEORGE: We need to find a village of some kind. The treasure must be there.

ECHO: Over by the dock maybe.

CLARA: I hope there's less bugs.

GEORGE: *(hat falls in his eyes while everyone else leaves.)* Heh! ! Wait for me.

Sashy: Can you see anything?

Barnabas: How can I see anything, I'm blind?

Sashy: Professor D can help..

Professor: What's that? You need to yell...I'm deaf you know.

Sashy: Good grief!

Rosie: I'll go look Sashy.

Barnabas: *(talking to the pillar)* You know it really is not fair.

Sashy: What's not fair Barnabas?

Barnabas: *(turns towards Sashy's voice but Sashy has moved so he is talking to air.)*
Our fishing was interrupted. I planned to catch a big fish today.

Sashy: You say that every day.

Professor: Yes there is a ship in the bay. We told you that already.

Sashy: Thank you Professor.

Professor: Eh?

Barnabas: I can hear running....Rosie's coming back. *(facing a tree- Sashy turns him around)*

Professor: *(see's Rosie)* Rosie's coming back.

Rosie: They found the trail.

Sashy: Barnabas go with the professor to the caves now. *(Everyone communicates to the professor by acting things out kind of like charades or drawing it on the ground)*

Professor: We'll guard our supplies.

SND Q 5 dramatic music to cover all of that (B & P exit but get caught by the pirates – (Along wall by door) and are taken to the ship to be tied up.-The cat and the squirrel have moved off the ship towards the 'forest-AND Blackberry follows stealthily) as the pirates leave the forest)(Movement is Like a big circle-ship audience forest- wall forest- pillars-) 1 min 12 secs

Rosie: Where did they go?

Sashy: I don't know. I can't see them.

Rosie: At least Barnabas and the Professor are safe.

SCENE 3 ALL TIED UP

Barnabas: I told you to turn left.

Professor D: Burn what?

Barnabas: This is not what we had planned.

Professor D: Yes of course there's lots of sand. It's a beach you know.

Barnabas: Oh bother!

Professor: Well of course we're brother's dear boy.

Barnabas: We need off this boat.

Professor: We are a bit tied up at the moment.

Barnabas: Oh I wish I had a knife.

Professor: If only they hadn't found your knife.

Barnabas: You really have terrible hearing.

Professor: what does it matter if any of the pirates wears an earring. You're blind how did you notice that?

Barnabas: (*shakes his head*) (Freeze)

BLACKBERRY: I don't get it. That Squirrel totally ignored me. Almost as if it didn't see me. (*pinches self*) Ouch. Well I'm real enough. That hurt.

SND Q 6

Narration: Meanwhile the squirrel and Blackberry the cat had gotten kind of tired of the status Quo so they stopped and as animals occasionally do, they formed an agreement of sorts.

Blackberry: MEOW (*tell audience*): I'm hungry.

Squeaky: Chatter Chatter Chatter (*tell audience*): Me too. Follow me

Blackberry: MEOW (*Tell audience*): I'm a cat. I'm supposed to chase squirrels.

Squeaky: Chatter (*Tell audience*): So what! Food first, chase later.

Blackberry MEOW (*tell audience*): Deal! (*They sneak into town to take some kind of food*) (*Blackberry motions for the audience to shhhh then follows Squeaky*)

Rosie: (*looking through a spyglass.*) Oh no!

Sashy: What's wrong?

Rosie: Look. (*hands Sashy the spyglass*)

Sashy: Oh dear. I can see the pirates.

GEORGE: Well, at least there's a trail.

CLARA: No bugs is good.

ECHO: I like no bugs.

GEORGE: Get your swords ready. (*pirates rush towards the townspeople*)
