SCENE 1 The Wish

SND Q 1 Welcome-admin-treaty 7- enjoy the show music start for song and argument

Voice: Stop pestering us. Can't you see we're busy. Go somewhere you can stay out of trouble. 1 min 53 secs

Somewhere over the rainbow
 Way up high
 There's a land that I heard of
 Once in a lullaby

Somewhere over the rainbow
 Skies are blue
 And the dreams that you dare to dream
 Really do come true

Someday I'll wish upon a star
 And wake up where the clouds are far behind me
 Where troubles melt like lemon drops
 Away above the chimney tops
 That's where you'll find me

Somewhere over the rainbow
 Blue birds fly
 Birds fly over the rainbow
 Why then, oh, why can't I?

If happy little bluebirds fly
 Beyond the rainbow
 Why, oh why can't I?

Aria: What's wrong with your voice Amanda. It sounded a little flat.

Amanda: Did not

Aria: Trust me it did too. What do you think Anna?

Anna: I don't think you should be arguing. Looks like a storm is coming in.

**SND Q 2 Thunder lightning and strange sound – or bang Goes dark.

SCENE 2 The Place

Anna: Uhhhh what just happened?

Aria: What did you do Amanda?

Anna: She didn't do anything. *(lights back on- they sneak down to stage quietly)*

Alexa: I'm sorry I didn't quite understand the question.

Amanda: Did we ask a question?

Alexa: I'm sorry. I didn't quite get that.

Anna: What is this place?

Alexa: This place is Treystaland. (Tray-stah-land)

Amanda: Say what?

Alexa: What?

Anna: Good grief. Where are we?

Alexa: This place is Treystaland

Aria: Never heard of it before.

Alexa: Please repeat the question.*(enter Hunter and Queen)*

Hunter: Alexa go clean the pond. (Alexa exits)

Aria: Oh thank goodness. Someone who can explain things.

Hailey: Thank you Hunter. Alexa can be a bit tedious at times. You are strangers in our village

Anna: Where are we?

Hailey Treystaland.

Aria: Yes, but, where is it at?

Hunter: Such silly questions. Why is more important.

Amanda: Why?

Hunter: Yes.

Hailey: So are you good person or a bad person?

Amanda: I'm good... most of the time.

Anna: I think it is the same for all of us.

Aria: You would hardly expect us to admit to being bad now would you?

Hailey: I find that when I just ask the question straight out, people are generally very honest.

Aria: And just who are you?

Hailey: I'm the Queen of Treystaland.

Amanda: Queen? Wow! (curtsies)

Hailey: Oh my such a polite child. And what exactly are you all doing here?

Anna: WE don't actually know what happened.

Aria: We heard thunder and a big bang and then we were here.

Hunter: They could be spies your majesty.

Hailey: Oh dear.

Amanda: I'm not a spy. My daddy calls me 'his princess.'

Hunter: If she is royalty from another house, They should be held until we can make sure they are not a threat. For the good of the people your majesty.

Hailey: Very well. For the good of the people. (snaps fingers-invisible bonds around the three with arms straight.)

Aria: Heh. Trust me, we are not a threat.

Anna: What is this?

Amanda: I want to go home.

Hailey: And so you shall my dear. Once we have proven what you are doing here.

Aria: This is all your fault.

Amanda: No it isn't.

Aria: You had to call yourself a princess.

Amanda: But that's what daddy calls me.

Aria: You always get us into trouble.

Amanda: Do not!

Aria: Anastasia could you please tell Amanda to be quiet.

Anna: Good Grief!

Amanda: I don't like it here.

Aria: None of us like it here.

Syrena: Alexa you just knocked my glasses off.

Alexa: Sorry. I did not understand the question.

Syrena: You just knocked my glasses into the pond.

Alexa: Please re-phrase the question.

Syrena: I can't get my glasses back. You have to get me new ones! (Cries)

Alexa: Crying is not productive. I am sorry. I will get them back. *(goes to hug Syreena-Syreena is freaked out)*

Syrena: Ugh! No hugging. That's just too weird. Alexa retrieve my glasses from the pond. *(Alexa grabs them and gives them back to Syrena.)*

Bella: Why do you order that girl around?

Syrena: Excuse me?

Bella: I've been watching you give her orders. *(points to Alexa)*

Syrena: Who are you?

Bella: My name is Bella. I am of the Forest Clan.

Syrena: She's a human computer.

Bella: Does she like being a computer?

Syrena: Ask her.

Bella: Alexa do you like being a computer?

Alexa: The word like is not necessary for my function.

Bella: Oh. That's one way to look at things I guess. Please. I've been travelling for days. I'm a bit lost. Where exactly am I?

Alexa: You are in the land of Treysta.

Bella: You are ruled by a King and Queen.

Alexa: Along with an Administrative Council.

Bella: Sounds complicated.

Syrena: Sometimes. Why are you here?

Bella: I am trying to find a way to change my life. I have been the joke of my village clan for long enough.

Syrena: Why a joke?

Alexa: I did not understand the question.

Syrena: No you! Bella.

Bella: I am too tall. The tallest in my clan. They make constant fun of me, and play tricks on me. Why are they so mean to me?

Alexa: That is not a valid question. Please rephrase.

Bella: I can do that. Where can I go to change myself?

Alexa: The well in the Whispering Winds is said to be magic. It dwells in the land of Golden Sun.

Bella: I'm willing to go anywhere, and try anything. It can't be any worse.

Syrena: We must return to the Queen. Good Luck.

Bella: Thank you for your help.

Aria: And how are we supposed to eat with our arms straight.

Ally: Right sorry. (*snaps her fingers -they are no longer restrained*)

Anna: Can anyone do that?

Ally: Do what?

Aria: Restrain people.

Ally: Just us! So no funny business. (*exit- to watch from the audience and collect pak*)

Aria: She just left us here. (*see's Amanda go for the food*) Don't eat that.

Amanda: But I'm hungry.

Aria: It might be drugged.

Anna: Anyone who can confine us like that wouldn't need to drug us. (All eat)

Syrena; Psssst.

Aria: Did you hear something?

Syrena: Psssssst.

Anna: Hello

Syrena: I had to see you.

Aria: Well now you've seen us.

Syrena: Not from around here are you?

Anna: That obvious?

Syrena: (nods) My name's Syrena.

Amanda: I'm Amanda.

Anna: I'm Anastasia, and that's Aria.

Syrena: Hi.... Did you like the food I picked for you?

Amanda: Thanks I was starving.

Syrena: We just eat pills. But I figured you would like real food.

Amanda: Pills- Where's the fun in that?

Syrena: I know. Right. My mother tells of when her great great great great ummm(*counts on her fingers*) great great grandmother made wonderful meals.

Amanda: That's a lot of greats!

Syrena: Yeah. I mighta missed one or two.

Aria: Will you two stop chatting like besties. It's giving me a headache.

Amanda: Oh go soak your head.

Syrena: (*to anna*) They don't like each other much?

Aria & Amanda: We do so!

Aria & Amanda: Jinx

Syrena: When they are good, they are really good. But when they are bad, they are horrid.

Anna: Yup that about sums them up.

Syrena: Don't let Hunter hear that. He takes his job 'keeping the peace' very seriously.

Amanda: I want to go home.

Aria: Quit saying that.

Syrena: There is a wishing well. It is said to have the power of the Universe.

Anna: Where is it?

Aria: Let me guess! It is beyond the hill through a forbidden forest. It is a perilous journey.

Syrena: How did you know?

Aria: That just seems about right somehow. How can we get there?

Syrena: I will guide you.

Ally: I want to come?

Syrena: The queen will miss you.

Ally: Nah! She's in council.

Syrena: If you say so.

Aria: What about the (*shows the snapping*)

Ally: It goes away outside the village. Let's go! (*snaps everyone is free*)

+ SCENE 2 b Tea with The Queen

SND Q 5 Tea with The Queen 17 secs

Hailey: Ah my dear. Come and have some tea. One my few guilty pleasures I'm afraid.

Piper: Well you are the Queen, your majesty.

Hailey: Come now. We have been friends since we were children. I think it is safe for you to call me Hailey.

Piper: It does feel a bit strange. I've known you my whole life, yet it sometimes feels as if I know you not at all.

Hailey: Bah it's the whole queen thing. If you would have married Henry, our positions would be reversed.

Piper: I could never have married him. He and I would not get along. Remember all of those arguments he and I used to get into.

Hailey: True. Now I asked you here to take a bit of rest from all of the political wrangling. And to ask your advice. You are one of the people I trust the most to tell me the truth.

Piper: What do you need?

Hailey: The king of Bahari is asking again for Ally's hand in marriage again. He has been at it since she was born. It would certainly benefit the people of both lands. It would make the two as one and be all the stronger for it.

Piper: Good heavens, you aren't actually considering it?

Hailey: Well, Henry and I are very concerned about what happens when we pass on.

Piper: The King of Bahari is... well to put it bluntly... he is a dreadful person.

Hailey: I was afraid you were going to tell me that. I think I knew in my heart, he would not be someone to trust.

Piper: Not with a ten foot pole. He won't even let people pass through his lands. He keeps a tight hold on his entire land. Would you really trust him with your lovely free spirited daughter. She is such a jewel. I'm afraid he would break her.

Hailey: I was afraid of that. She is still very young. I do not want her to have to make a marriage for an alliance.

Piper: Speaking of Ally...What is she up to?

Hailey: You haven't heard about our visitors then?

Piper: No. What is happening?

Hailey: Well I've sent Hunter and Syrena to keep an eye on her. She insists on helping these strangers.

Piper: Oh my. She has a generous heart, your daughter. Tell me everything. *(They clean up the tea things and mime talking-move set pieces all to music then go off stage.)*

Ally: To keep us safe.

Aria: Safe?

Syrena: Anything could happen out here.

Anna: What is that?

Syrena: Oh. That's the Forest.

Aria: It looks creepy.

Ally: HUNTER JOIN US! (*yells it*)

Hunter: You've made good time. Tomorrow morning we enter the Forest of Sorrows.

Bella: Well some are more bold than others. I'm actually quite shy.

Anna: Well you are brave to talk to us.

Bella: Thanks. I want to join you.

Hunter: Why?

Bella: It's a long story.

Anna: Everyone else is sleeping. We have time.

Bella: My name is Bella of Alder Meadows. My people are not very tall. I am a stranger in my own lands. I want to be a gnome. The only way to do that is to visit the wishing well.

Anna: Why a gnome.

Bella: I am harassed and called names among my people. Gnomes are considered good luck, and are magic.

Anna: Aren't they just statues?

Bella: Ah but they see and hear everything, and can come alive whenever they choose.

Anna: Sounds interesting. Where would you live?

Bella: Anywhere but here.

Anna: What about your family? I miss mine.

Alexa B: Bahari land ends in 30 meters.

Hunter: Rats!

Alexa B: Please rephrase the question.

Hunter: Alexa. Will you allow us to travel 30 metres to remove ourselves from Bahari lands.

Alexa B: That would not be within my mandate.

Ally: Rats!

Hunter: I'm sorry your highness. I thought we could make it.

Ally: My mother will be angry.

Aria: Highness?

Syrena: Yes. Our job is to protect her.

Alexa B.: I did not understand the question.

Hunter: Alexa did you know we carry the royal standard of Treysta?

Alexa B: Yes it is part of my directive to recognize Royals from other lands.

Hunter: Well that will protect us somewhat.

Aria: Look we're not from around here. It's not our fault she's royalty.

Amanda: Aria. They have helped us.

Aria: We are not responsible for them tagging along.

Amanda: Speak for yourself.

Aria: Fine!

Amanda: Double fine!

Alexa B: I do not understand. Please follow me, or be incinerated.

Anna & +Bella: What?

Alexa B: Follow me or be incinerated.

Ally: Oh dear!

Hunter: This will cause a political upheaval your Highness.

Syrena: Upheaval? A war more like.

Anna: Why didn't you tell us this was a problem?

Hunter: What could we possibly have said?

Aria: Oh I don't know? "There is a place that incinerates people for trespassing on their land," Would have been a good start.

Hunter: I'm thinking, I'm thinking.

Aria: Well think faster. Here comes Alexa

Alexa B: I did not understand the request. Please repeat.

Hunter: Alexa, Why are we locked up?

Alexa B: The king wants to start negotiations for the princesses hand in marriage.

Ally: What?

Alexa B: The king of Bahari wants to marry the Princess of Treysta. As the only heir, she will inherit all of Treystaland.

Hunter: The princess is still a child. The Queen will not take kindly to this kidnapping.

Alexa B: I did not understand the question.

Aria: Has the king contacted the Queen of Treysta?

Alexa B: The King has sent an emissary to Treystaland.

Hunter: We'll be here awhile.

+Bella: Now I'll never get to be a gnome.

Syrena: Can we order food?

Alexa B: That is within my parameters.

Anna: You're hungry?

Amanda: I'm hungry too.

Ally: Me too.

Hunter: Alexa can you provide meals for all of us?

Alexa: Yes. I will be back with the food shortly.

Hunter: Okay we don't have much time. When Alexa comes back to feed us we'll grab her.

Anna: Uhhh isn't she stronger than us?

Hunter: No. They are programmed AI but strength was never their purpose.

Syrena: I don't think they have changed much since their origin.

Aria: We noticed!

Hunter: Amanda you and Aria are the distraction. Get into an argument, and make it loud and visual.

Anna: That shouldn't be too difficult.

Aria & Amanda: Heh!

Hunter: I'll stand behind the door and grab Alexa.

Aria: Are you sure this will work.

Hunter: We won't know until we try.

Amanda: Okay We'll be ready.

Aria: What should we argue about?

Amanda: We usually find something.

Syrena: Get ready.

Aria: You know this is all your fault.

Amanda: My fault?

Aria: Yeah. If you hadn't made that stupid wish.

Amanda: What wish?

Aria: Somewhere over the Rainbow?

Amanda: You sang it too.

Aria: It was your idea in the first place. (*enter Alexa B w food -pills in a container*)

Amanda: So!

Aria: You're always making it hard for everyone else.

Amanda: I do not! (Hunter knocks Alexa out!)

Aria: Do too

Anna: I think that was the loudest argument you've ever had.

SND Q 14 music intro 7.5 sec

Favourite things

Raindrops on roses and whiskers on kittens,
bright copper kettles and warm woolen mittens,
brown paper packages tied up with strings,
these are a few of my favorite things.

Cream colored ponies and crisp apple strudels,
door bells and sleigh bells and schnitzel with noodles.
Wild geese that fly with the moon on their wings.
these are a few of my favorite things.

Girls in white dresses with blue satin sashes,
snowflakes that stay on my nose and eyelashes,
silver white winters that melt into springs,
these are a few of my favorite things.

When the dog bites, when the bee stings,
when I'm feeling sad,
I simply remember my favorite things,
and then I don't feel so bad.

SND Q 16 intro to Supercalifragalistic

Supercalifragilisticexpialidocious (fun) Ana & Bella

It's supercalifragilisticexpialidocious
 Even though the sound of it is something quite atrocious
 If you say it loud enough you'll always sound precocious
 Supercalifragilisticexpialidocious
 Um-dittle-ittl-um-dittle-l
 Um-dittle-ittl-um-dittle-l
 Because I was afraid to speak when I was just a lad
 Me father gave me nose a tweak, told me I was bad
 But then one day I learned a word that saved me achin' nose
 The biggest word you ever heard and this is how it goes

Oh, supercalifragilisticexpialidocious
 Even though the sound of it is something quite atrocious
 If you say it loud enough you'll always sound precocious
 Supercalifragilisticexpialidocious
 Um-dittle-ittl-um-dittle-l
 Um-dittle-ittl-um-dittle-l

So when the cat has got your tongue there's no need for dismay
 Just summon up this word and then you've got a lot to say
 But better use it carefully or it could change your life

Group:

It's a world of laughter
 A world of tears
 It's a world of hopes
 And a world of fears
 There's so much that we share
 That it's time we're aware
 It's a small world after all

There is just one moon
 And one golden sun
 And a smile means
 Friendship to ev'ryone
 Though the mountains divide
 And the oceans are wide
 It's a small world after all
